

Dundalk Fire Service

The Fire Service has visited St. Brigid's many times so this should be a fairly easy task for you. Go to www.louthcoco.ie and find the answers to these questions. Click on the heading **Services** and then on the subheading **Fire and Rescue Services**. Now Fire away!

Q.1 What is the number you must contact when seeking the Fire Service in case of an emergency? _____

Q.2 Name **three** things you may be asked for when you call the emergency contact number? _____

Q.3 Name three detectors that the Fire Service recommend you have in your home. (See **General Fire Safety Leaflets List**)

Q.4 What is the charge for a domestic fire call out? (Fire charges)

€10 per min

€20 per min

€7.50 per min

Time for a maths problem:

The Fire Brigade was called out to a house fire. Thankfully it was a small fire and nobody was hurt. It took the Fire Brigade 30 minutes to put out the fire and pack up.

What was the cost of the callout charge? _____

Q.5 What is the cost of a **false alarm call out** to the Fire Brigade? (**See Fire Charges**)

€200

€100

€500

€300

Time for another maths problem:

The Fire Brigade received 4 false alarms last week.

What was the total charge of the false alarms? Remember you can use addition or another operation to calculate the answer. _____

Q.6 Name three ways in which you can pay the Fire charges?

Q.7 What is the contact number for Dundalk Fire Station? (**See About Us**)

Q.8 Which Fire Station is nearest to you? _____

Q.9 Walk around your home. Make a list of the Fire Safety equipment you have.

Q.10 Can you explain the following expressions. Look them up if you can't

all fired up

to set the world on fire

to burn yourself out

to smoke like a chimney

to burn a hole in your pocket.

"Liar Liar, your pants are on fire"

There's no smoke without fire

to burn the candle at both ends

to burn your bridges

Fire in the hole

to light a fire under someone

to have a fire in your belly
